2011 National AAP Review Teleseminar Program

The Regional Payments Associations across the country have partnered to offer some of the most important information that every Aspiring AAP needs to know in preparing for the AAP exam in six teleseminars that will provide an overview of the information the AAP candidate should already have covered in previous studies.

This six-week series of 90 minute teleseminars is designed to offer the Aspiring AAP a review of the ACH Network, ACH Rules, Test taking tips, Regulations and other payment systems, including Check, Wire & Card. The program is designed and managed by the Regional Payments Associations and will be presented by an AAP ACH trainer (already accredited ACH professional) from week to week that is particularly knowledgeable on that week's topic. The series topics and dates for 2011 will be:

Monday, August 15 - Session 1 – Payment Systems Overview INCLUDING details on the Regulations that affect each payment system

Monday, August 22- Session 2 – ACH Products (to include the SEC Codes) + benefits (this would be the marketing piece for each product) – SEC Codes/Products will include details of the rules for the specific product PLUS the benefits

Monday, August 29 - Session 3 – ACH Rules –reviewing what's in the "rules" section of the Rule Book – 14 Articles and 11 Appendices

Tuesday, September 6 - Session 4 –ACH Operational process and exception processes and "overview" of the different types of ACH Risk

Monday, September 12 - Session 5 – Regulations

Monday, September 19 - Session 6 – Technical Specs and Formats PLUS Arbitration and Rules Enforcement

All Teleseminars will begin at 1pm Eastern, 12pm Central, 11am Mountain, or 10am Pacific

Each session will be 90 minutes: 60 minutes of instruction & 30 minutes for Q&A
