UMACHA
Your Electronic Payments Professionals

Feed Your Hunger for ACH Knowledge…
It's time for ***Dining and Discussion!***

Make Your Reservation today for Some Dining and Discussion!

50 Minute Teleseminar Sessions begin in February, continuing throughout 2012

What could be better than an appetizer of ACH…or a first course about recent Rules Updates…or an entrée featuring a discussion of exceptions and returns…or another hot topic?

Join us for our new 2012 menu of items. Each session features a roundtable discussion of the hot topic du jour, while you dine in your office. Expand and broaden your payments knowledge – and qualify for 1 AAP continuing education credit for each session!

Main course topics may include:

- Updates on the NEW Rules Revisions (many to come)
- Tips on the latest issues in the payments industry
- Discussions on any issues you bring to the "dining table" for discussion

We welcome suggestions for topics from AAPs (or prospective AAPs)!
