UMACHA
Your Electronic Payments Professionals

Discounted 2012 AAP Test Preparation Materials

To assist you in studying for the AAP test, you may purchase the following publications at a package discount.

- Revised UCC-4A and the ACH Network
- ACH Compliance Manual
- ACH Risk Management Handbook, 5th Edition
- Risk Management for WEB, TEL and e-check ACH Payments
- Guide to ACH Origination
- Introduction to Payment Systems
- The 2012 NACHA Operating Rules

ACHPro – 2012. ACHPro is a self-paced, computer-based training tool that the New England ACH Association developed to assist individuals in increasing their knowledge of ACH. ACHPro provides ACH and EFT professionals with a method of measuring their knowledge of ACH as well as learning key concepts. This CD can be used as a study tool, but it was not designed specifically as an AAP tool.
